

Proposal of AIMS A Constitution

On May 2007; considering strong need of the hour; that is the Social Reformation, we have conceived an idea of formation of All India Madhesi Student Association. The Association has a primary goal of social reformation by upliftment of Madhesi committee, (which is so far less away, marginalized and under privileged.) We have a common agenda of spreading National awareness by making Madhesi more accountable and responsible so as to incorporate them in the national flow of the country. We intend to build fear free society with no hatredness among the people of Nepal. We have a noble intention of making the society which will be more aware, enthusiastic & energy filled keeping national integrity intact. We dream for such a Nation which will be a developed educated with an ever-lasting peace.
